# Candy, Jelly & Deep Fry Thermometer

## Safety Cap Easy Grasp Red Ball Adjustable Clip

### INSTRUCTIONS FOR USE:

Clip to side of pan. Place tip of thermometer at least 2-1/2" into liquid. Do not let tip touch bottom or sides of pan. Follow temperature instructions of your favorite recipe.

### DEEP FAT FRYING:

Heat fat to desired temperature. Lower food into fat. Temperature may temporarily drop. Cook food for time specified.

### WARNING:

DO NOT wipe or handle hot thermometer with wet cloth.  
DO NOT lay hot thermometer on cold or wet surface. DO NOT heat beyond □ thermometers temperature capacity or tube may break. DO NOT use in oven.
